# 1. WHAT IS THE SLTC MEDIA UNIT?

The SLTC Media Unit is the oldest student organization at Sri Lanka Technology Campus. It was established in 2016 by Mr. Vinol Fernando, the founder and president of the SLTC Media Unit.

Since its establishment, the Media Unit has been actively involved in supporting the university, its clubs and societies by providing media coverage and assisting with the organization of various events and programmes.

The Media Unit also provides students with opportunities to develop practical skills in photography, videography, graphic design, compering, report writing, event management and other areas of media production.

To manage these responsibilities, the SLTC Media Unit is organized into six specialized committees, each handling a distinct area of media and event work. Together, these committees support the activities and projects carried out by the Media Unit.

## 1.1 COMMITTEES OF THE SLTC MEDIA UNIT

The SLTC Media Unit operates through six specialized committees. Each committee has its own responsibilities and works alongside the others to support the university, its clubs, societies and the wider student community.

## 1.2 THE SIX COMMITTEES OF THE SLTC MEDIA UNIT

### 1.2.1 Photography Committee

The Photography Committee is responsible for capturing photographs at university events, programmes and other activities. Its members document important moments and provide photographic content for publications, promotional materials and the Media Unit's digital platforms.

### 1.2.2 Videography Committee

The Videography Committee focuses on recording and producing video content for university events and activities. Its responsibilities include filming, editing and preparing videos for promotional purposes, event coverage and digital publication.

### 1.2.3 Compering Committee

The Compering Committee is responsible for hosting and presenting university events and programmes. Its members take part in event presentations, introduce speakers and performers, and engage with audiences while developing their public speaking and communication skills.

### 1.2.4 Design Committee

The Design Committee handles the visual content of the Media Unit and supports the promotional activities of the university, its clubs and societies. Its work includes designing posters, flyers, banners and other digital and printed materials for various events and campaigns. The committee also works to develop the design skills of its members through practical experience and initiatives such as the Master Designer project series.

### 1.2.5 Editorial and Report Writing Committee

The Editorial and Report Writing Committee handles the written content and documentation of the Media Unit. Its work includes preparing event reports, writing articles, creating captions, and documenting the activities and achievements of the university and its student organizations.

### 1.2.6 Event Management Committee

The Event Management Committee is involved in planning and coordinating events organized by the Media Unit and supporting other university activities. Its responsibilities include handling event arrangements, coordinating with relevant teams, managing logistics, and assisting with the smooth execution of programmes.

# 2. PREVIOUS INCIDO PROJECTS

The SLTC Media Unit introduced INCIDO as an initiative to encourage students to explore their creative interests and develop their abilities in different media-related fields. The first two editions, INCIDO GEN 1.0 and INCIDO GEN 2.0, helped establish a foundation for the initiative and paved the way for its third edition.

### 2.1 INCIDO GEN 1.0

INCIDO GEN 1.0 was the first edition of the initiative organized by the SLTC Media Unit. It introduced the project as an opportunity for members of the SLTC community to take part in creative activities and showcase their abilities in media-related fields.

### 2.2 INCIDO GEN 2.0

Following the first edition, INCIDO GEN 2.0 continued the initiative, building on the experience gained through the previous edition. It further developed INCIDO as a platform for creative participation and provided another opportunity for members of the SLTC community to present their talents.

Building on the foundation of INCIDO GEN 1.0 and INCIDO GEN 2.0, the SLTC Media Unit is now preparing to take the initiative forward through INCIDO GEN 3.0.

# 3. INCIDO GEN 3.0

## 3.1 OVERVIEW OF INCIDO GEN 3.0

The SLTC Media Unit proudly presents INCIDO GEN 3.0, the third edition of its flagship initiative, aimed at discovering, showcasing and developing the creative talents of the SLTC community.

The initiative focuses on four creative fields: photography, videography, graphic design and compering. It is open to all SLTC undergraduates, providing them with opportunities to demonstrate their skills, express their creativity and gain recognition.

INCIDO GEN 3.0 will include several activities, such as awareness sessions, online and in-person sessions, workshops and competitions. These activities will lead up to the grand finale, which will feature an industry expert panel discussion and an award ceremony celebrating the achievements of participants.

The initiative will recognize participants through the Most Talented and Most Popular categories, encouraging both creative excellence and audience engagement. Through these activities, INCIDO GEN 3.0 aims to create opportunities for learning, participation, and recognition within the SLTC community.

### 3.2 OBJECTIVES OF INCIDO GEN 3.0

INCIDO GEN 3.0 has three main objectives:

1. **Discover and develop creative talent:** Provide a platform for SLTC undergraduates to showcase and improve their skills in photography, videography, compering, and graphic design.
2. **Encourage creative participation:** Foster an inclusive creative culture at SLTC by encouraging artistic expression, creative exploration, collaboration and active participation among members of the university community.
3. **Provide exposure and recognition:** Support emerging creative talent through skill-development opportunities, industry engagement, competitions and professional recognition, celebrating both creative ability and audience appreciation.

## 3.3 EVENT STRUCTURE AND ACTIVITIES

INCIDO GEN 3.0 is planned as a series of activities that will take participants from the initial awareness stage to the final competition and award ceremony.

The proposed activities include:

### Awareness Sessions

Introduce the initiative to the SLTC community and provide information about the competition fields, participation process, and opportunities available through INCIDO GEN 3.0.

### Online and Physical Sessions

Provide opportunities for participants to engage with the initiative and develop their skills and interests in different creative fields.

### Workshops

Offer opportunities for participants to develop their knowledge and practical skills in relevant creative areas.

### Online Competitions

Allow participants to showcase their creative abilities through the selected competition categories.

**Most Popular Voting**

Provide an opportunity for the university community to support their preferred creative entries through the voting round.

The proposed timeline is as follows:

| **Activity** | **Proposed Date** |
|---|---|
| Registration Opens | 17 November 2026 |
| Awareness Session | 20 November 2026 |
| Submissions Open | 25 November 2026 |
| Voting Round for Most Popular Awards | 6 December 2026 |
| Grand Finale | 19 December 2026 |

## 3.4 GRAND FINALE

The grand finale of INCIDO GEN 3.0 is scheduled to take place on **19 December 2026 at the SLTC Padukka premises.** It will bring together participants, judges, industry representatives, guests and members of the SLTC community to celebrate the achievements of the competition.

The programme will include the final competition activities, an industry-focused plenary session, the judges' review of the photography and videography entries, and the grand award ceremony.

The proposed programme is organized as follows:

| Time | Programme |
|---|---|
| 8.30 AM - 9.30 AM | Participant Registration and Morning Inauguration |
| 9.30 AM - 1.00 PM | Parallel Sessions & Competition Finals |
| 1.00 PM - 2.30 PM | Judges' Review & Lunch Break |
| 2.30 PM - 4.30 PM | Grand Award Ceremony |

# 4. WHY PARTNER WITH INCIDO GEN 3.0?

Partnering with INCIDO GEN 3.0 provides organizations with an opportunity to connect with emerging creative talent while supporting a university-wide initiative focused on creativity, communication and skill development.

Through this partnership, organizations can become part of an initiative that brings together students, academic and non-academic staff, creative participants and industry representatives.

The main reasons to partner with INCIDO GEN 3.0 include:

**ACCESS TO EMERGING CREATIVE TALENT:**

Connect with a dynamic community of university undergraduates showcasing their talents in photography, videography, graphic design, compering and other creative media disciplines.

**BRAND VISIBILITY & EXPOSURE:**

Showcase your brand across competition activities, promotional campaigns, event platforms, digital media and post-event coverage, reaching an engaged audience of creative and ambitious university students.

**INDUSTRY CONNECTION & ALIGNMENT:**

Position your organisation alongside creativity, digital media, visual storytelling, communication and innovation while strengthening its presence within Sri Lanka's emerging creative industry.

**NETWORKING OPPORTUNITIES:**

Build meaningful connections with talented participants, aspiring media professionals, creative enthusiasts, industry experts and distinguished guests through various event activities and engagements.

**EMPOWERING YOUNG CREATORS**

Support the development of the next generation of photographers, videographers, designers, presenters and media professionals by providing a platform for them to showcase their creativity, develop their skills and gain industry exposure.

**EXCLUSIVE BRAND RECOGNITION:**

Receive prominent recognition across official event materials, promotional banners, digital campaigns, social media platforms, certificates and other event-related publications, ensuring valuable brand exposure throughout the competition.

# 5. ADVANTAGES OF INCIDO GEN 3.0

## 5.1 ADVANTAGES TO PARTICIPANTS

INCIDO GEN 3.0 provides participants with opportunities to develop their creative interests and gain experience beyond their regular academic activities.

**Skill Development**

Participants can improve their practical skills in photography, videography, graphic design and compering through sessions, workshops and competition activities.

**Creative Expression**

The initiative provides a platform for participants to share their ideas, explore their creativity and present their abilities to the SLTC community.

**Industry Exposure**

Through industry engagement and the expert panel discussion, participants will have opportunities to connect with professionals and gain exposure to creative fields.

**Recognition and Appreciation**

Participants will have the opportunity to receive recognition for their work through the competition and award ceremony, including the Most Talented and Most Popular categories.

**Community Engagement**

The initiative encourages collaboration and interaction among undergraduates, academic staff, and non-academic staff, helping to build a more active creative community at SLTC.

## 5.2 ADVANTAGES TO SPONSORS

Sponsors will receive recognition and promotional opportunities based on their selected partnership package.

These opportunities include:
